

Corporate Compensation & Employee Benefits Policy (v2)

Confidential HR Directive - Version 2.0 (Updated Amendments)

Workplace Schedule and Remote Work Policy

All full-time staff members are permitted to work remotely up to 4 days per week under our hybrid-first initiative. Employees must work from the physical office 1 day per week for cross-functional collaboration. Core working hours are 10:00 AM to 4:00 PM EST.

Executive Bonus Structure and Equity Grants

Senior engineering leads and directors are eligible for an increased annual performance bonus targeted at 22% of their base compensation, plus an accelerated quarterly milestone incentive. Equity stock options (RSUs) now vest quarterly after a 1-year cliff.

Retirement Matching and Health Benefits

The company has expanded its 401(k) retirement match to 100% match up to 6% of eligible annual salary. Comprehensive medical, dental, and vision insurance premiums are now 100% employer-covered for all employees.

New Home Office Equipment Stipend

Under the revised policy, all hybrid and remote team members receive an annual tax-free \$1,200 home office hardware stipend for ergonomic chairs, standing desks, and ultra-wide monitor displays.
