

Q4 Audited Financial Performance & Revenue Statement

Executive Financial Summary

During the fourth fiscal quarter of 2025, total enterprise Annual Recurring Revenue (ARR) reached \$42.8M, representing a year-over-year expansion rate of 48%. Gross profit margins improved to 76.4%, driven by cloud infrastructure optimizations and self-hosted vector retrieval caches.

Quarterly Revenue and Operating Expenditure Ledger

Fiscal Quarter	ARR (\$M)	Gross Margin	Net Burn (\$M)	EBITDA (\$M)
